

"Successful Students: One at a Time"

**We all want kids to be successful at school ~
What do you do when they are not?**

Parents, caregivers, and educators: join us for an evening of education and resources presented by a team of expert doctors, school officials, and parents.

Learn about a better process for parents, doctors, and schools to work together to help each child succeed in school to the best of their ability.

The evening will feature breakout sessions presented by several educational, psychological, and medical specialists. Vendors will also highlight resources including counseling, parent coaching, and tutoring services, learning programs, and developmental interventions.

This FREE event is Thursday, February 9, 2012 at Prior Lake High School from 5:30pm – 9:00pm.

Register at www.priorlakesavagece.com or call 952-226-0080

Breakout Session Information is listed on the website. Registration is preferred but walk-ins are welcome. Dinner will be provided for registered guests.

*Co-sponsored by St. Francis Regional Medical Center,
Metropolitan Pediatrics, Park Nicollet Clinic,
and Prior Lake-Savage Area School's
Community Education.*
