

FIRST AID EQUIPMENT

I. PURPOSE

The purpose of this policy is to provide guidelines for the use and management of first aid equipment

II. GENERAL STATEMENT OF POLICY

The School Board acknowledges that the programs within our school buildings create concentrations of people. We are dedicated to provide adequate equipment and training so as to bridge the time between the onset of an emergency medical situation and the arrival of an emergency response agency.

III. GENERAL GUIDELINES

- A. A management plan will be developed and maintained by the Director of Health Services that outlines the inventory, maintenance, and training procedures relative to all first aid equipment.
- B. The management plan shall be reviewed and updated annually.
- C. Identified staff will receive training, as deemed appropriate per the management plan. All new staff will be trained upon employment.
